The Pano is an ultra-wide 100” multitouch table with dual 55” 4K Ultra HD LG commercial displays rated 24/7. The Pano supports 32 simultaneous touch points, while the contiguous dual (UHD) displays provide a unique 7680 x 2160 pixel surface. The Pano is equipped with a powerful integrated Intel™ 8th Gen Core processor, NVIDIA™ discrete graphics card, and push-button power.
The Pano 100" touch table is built with aircraft-grade aluminum and covered with a durable powder coat. It has a lockable enclosure and is ready for demanding environments including museums and other public spaces. All of Ideum’s hardware is backed by a three-year warranty. The Pano can be found in busy public spaces such as the Hoover Dam Visitors Center, the Museum of Science and Industry, and Science World British Columbia, among others.

Software

Ideum uses innovative custom software to tell stories that evoke wonder and spark curiosity about the world around us. Our expertise in a broad range of programming environments allows our work to span the realms of informal and formal education, interactive technology, gaming, art, and entertainment.

**Multitouch Authoring**

Ideum multitouch products include a free, lifetime license for GestureWorks 2 (upon request).

GestureWorks 2 is a multitouch authoring solution that works with C++ and Unity3D. It has nine basic built-in gestures and supports hundreds more using the extensible Gesture Markup Language. Licenses include ticketed, timely support* and free upgrades for life.

More information can be found at: [gestureworks.com](http://gestureworks.com)

**RFID Utility**

Ideum multitouch products include an RFID utility for enhanced functionality.

Our new and improved RFID software allows you to automate system tasks, launch and switch applications, and more with a single movement. This useful utility is free for Ideum touch table owners.
